

SECTION IX - CROSS REFERENCE

COMMON REPLACEMENT HYDROVAC PART NUMBERS

The following tables provide common replacement numbers for old Hydrovac numbers. This information serves as an interchange **with regard to function only**. These common replacement numbers do not consider different mounting and plumbing, therefore certain applications **are not** direct interchange numbers. For your convenience, if modifications are necessary, we ship replacement units with fittings to enable retrofitting to the original Hydrovac number.

Common Replacement Number	Old Hydrovac Number
2514916 <i>O.E.M. - 4150982</i>	2503151 2504102 2510640 2512063 2514504
2514917 <i>O.E.M. - 4150983</i>	2500517 2504055 2504105 2504985 2512076 2504058 2513171 2513494
2514918 <i>O.E.M. - 4150984</i>	2510065 2512138 2511170
2514919 <i>O.E.M. - 4150985</i>	2504106 2504109 2510401 2504616 2508643 2512142 2509870 2510400 2513811 2512644 2513491 2513816 2513493 2513812

Common Replacement Number	Old Hydrovac Number
2514920 <i>O.E.M. - 4151108</i>	2509364 2509559 2512140 2512141 2512569 2509547
2515029 <i>O.E.M. - 4151217</i>	2512061 2512062 2513492
2515030 <i>O.E.M. - 4151219</i>	2513026
2515050 <i>O.E.M. - 4151228</i>	2509140 2512064 2512065 2512066 2512139 2512554 2512570 2513813 2513814 2513815
2515074 <i>O.E.M. - 4151219</i>	2504113

For additional replacement information, please see the application section located in the front of this catalog.
